WHAT IS THE TEXAS SIX-MAN SPORTS NETWORK?

We put six-man schools on the map and bring a voice to the hard working student-athletes that make small town sports an important part of Texas.

Six-man schools are often overlooked, but with over 140 schools in the State of Texas, our network reaches approximately 1.5 million people each year. We are the official voice for small schools across Texas and we strive to bring the best sports coverage for six-man schools.

WHY BECOME A SPONSOR?

Year round exposure with advertising opportunities at many six-man sport events across Texas.

Your tailored message to over 1.5 million people annually.

Your investment directly supports programs and six-man student-athletes across the State of Texas.
